CHSP Growth Funding 2024-25

Tender Loving Care Aged Care is excited to be part of the **Commonwealth Home Support Programme (CHSP) Growth Funding 2024-25**, offering a range of services to support older Australians in staying independent at home. Through this funding, we provide subsidised services, helping you access affordable care tailored to your needs.

What is the CHSP Growth Funding?

The **CHSP Growth Funding 2024-25** is a \$100 million initiative from the Australian Government, designed to expand essential services such as **Domestic Assistance, Allied Health and Therapy, Home Maintenance, and Transport** for eligible individuals across various regions.

Services and Pricing

Below is a breakdown of the services available under the CHSP Growth Funding.
